Tuesday the 22nd of November was Bandanna Day here at Cann River P-12.

Students (and staff) wore their bandannas with pride and had fun coming up with different places to put them.

We raised $180 to help CanTeen support children with cancer.
Remembrance Day

Remembrance Day was a great community event: with numbers larger than normal due to the arrival of a school from Sale: a respectful and important event: and our students did very well Indeed.

The Award and Play Night: Thursday 8th at 7 pm featuring ‘The Inn of the Lost Travellers’

It is great to see the year 7-9 students taking up the major roles this year. With Brandon Nation, Miles Spink and Tegolin Spink coming back to play roles, as well as Tammy Whitford, Chris Turvey, Pauline Stephenson and Tammy Stephenson appearing in it too: it should be a bit different! The Prep to year two and grade 3-5 groups are already pretty impressive: two weeks to go today. The play is truly a team effort with so many people involved in making it happen. Lisa Tripp teaching Drama, Pauline and Tracey directing and motivating and Padma making us better singers. Thanks to Myrna for making costumes. Thanks to Miles and Tegolin Spink who’ve volunteered to take over much of the directing role that I usually do, as well as much of the costume organisation and everything else. We will just need the rain to stop!

On Friday the 19th, the Grade 3-4’s went to Swifts Creek for the annual Pallet Cart Derby with Mr O’Brien and Kelly Edebohls. A fantastic time was had by all despite losing a cart early in the day after it snapped an axle.

Our team came 2nd overall in speed and won the best looking cart prize. We had a swim before leaving and an ice cream on the way home. It was a long day, but we sure did have a lot of fun!

Bus to Bairnsdale in 2017

From the beginning of 2017, the dates for the bus to Bairnsdale will be changing.

The bus will be going every second Tuesday.

To book a seat on the bus, please contact our admin office on 5158 6210.

**Remember; Medical appointments are priority**
Due to the recent retirement of Committee of Management members there are two vacancies we wish to fill with volunteers from within our community.

We are actively seeking for community members to apply for these important community positions.

The committee desires to reflect the diversity of this community and therefore we appeal to the younger generation (18 years and over) in our community, to bring a fresh perspective to the committee. This is an excellent opportunity for you to gain business management insight and experience. You may be surprised how valued you would be, and how much you could bring to the centre!

New members would be given the full support of the current members and would not find it difficult to contribute.

The Centre is a dynamic and important function of our community and continually strives to improve.

The Committee of Management meets once a month and usually the meetings are routine and of short duration but they are important. The Committee monitors the accounts, Policy and Procedure and is a conduit to the community.

A police check is necessary (which the centre would pay for) and an introductory package can be obtained from the office.

For further information, feel free to contact Michael O’Brien at the school or pop into the nursing centre and chat with the staff and pick up an orientation pack.

Join and share the pride in this excellent centre.
